After Party

In partnership with  **WATERLOO
ALUMNI**

The TEDxUW team is proud to announce that we will be hosting our very first After Party event in partnership with the University of Waterloo's Alumni Relations Department!

One of our goals this year is to give our delegates an opportunity to get to know our speakers, sponsors, organizing team, and fellow attendees on a more personal level and the After Party is precisely where to do it! This is the dedicated time and place to mingle with everyone who has contributed to TEDxUW including others like yourself who shape the lively and thought-provoking community that we love to see.

Due to the limitations on our After Party location, spaces are limited for this additional event! So be sure to register as soon as you can to ensure that you can reserve a spot for the first ever TEDxUW After Party!

Registration details will be sent directly to your email after registering for the conference itself so keep an eye out for that email!
